

TEXAS GULF COAST

Hurricane Relief Trips

Thirst Missions has roots in the small towns of the Texas Gulf Coast. In August 2017 we watched Hurricane Harvey devastate the region, destroying over 9,000 homes and damaging nearly 200,000.

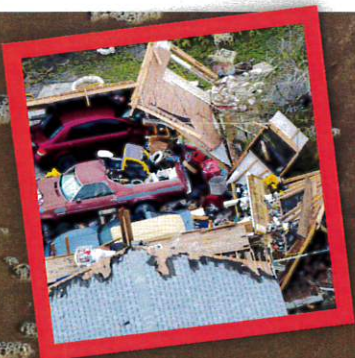

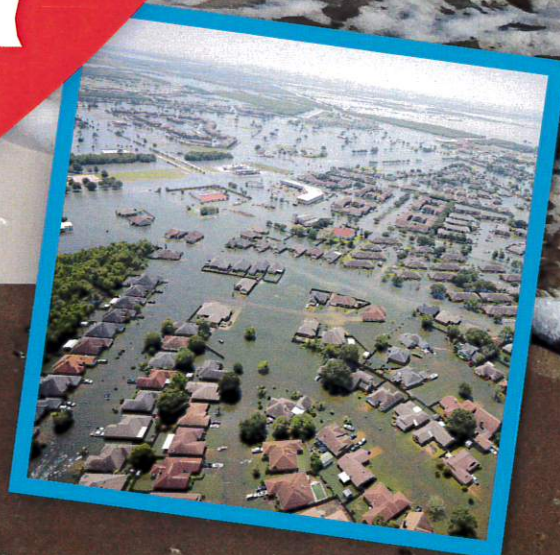

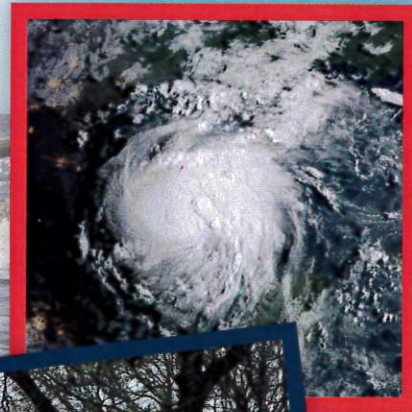

Many families need help, and the need will persist for years to come. Relief is needed on a massive scale. We see this disaster as an opportunity to tangibly show Christ's love to the families whose lives have been upended by this.

"So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith." - Galatians 6:10.

We are looking for teams of 10 or more people to join us in spring and summer 2018 to help the people of the Texas Gulf Coast.
