

## **Calling All Girls Hockey Players!**

**If you're new to hockey or are interested in trying hockey this winter... then Warrior Hockey is for you!**

**REGISTRATION IS OPEN!!!**

Hockey is a great sport for making life-long friends, learning team play, and having fun - all while playing the "Coolest Game on Earth"!

If you haven't heard, our Mound-Westonka girls are in a hockey collaboration with neighboring Orono girls under the Warriors Co-op. Over the last 8+ years, the Warriors Program has produced some of the best female players and some of the most competitive teams in the state. While being competitive is great, our focus is in teaching this great game. Our Co-op is made up of volunteers working tirelessly to ensure our girls get the best positive experience playing our state's #1 sport.
